CHLOE

We love it when Chloe Toy pops into the office, but when we watch her dis-robe for our photographer it all gets a little bit too much for us to handle. Flashing her pert arse and tits on the sofa doesn't faze this girl, she's a true pro! "Do any of you guys fancy coming and joining me on the couch, she says jokingly? I'm as horny as fuck, so you can come inside me too if you want?"

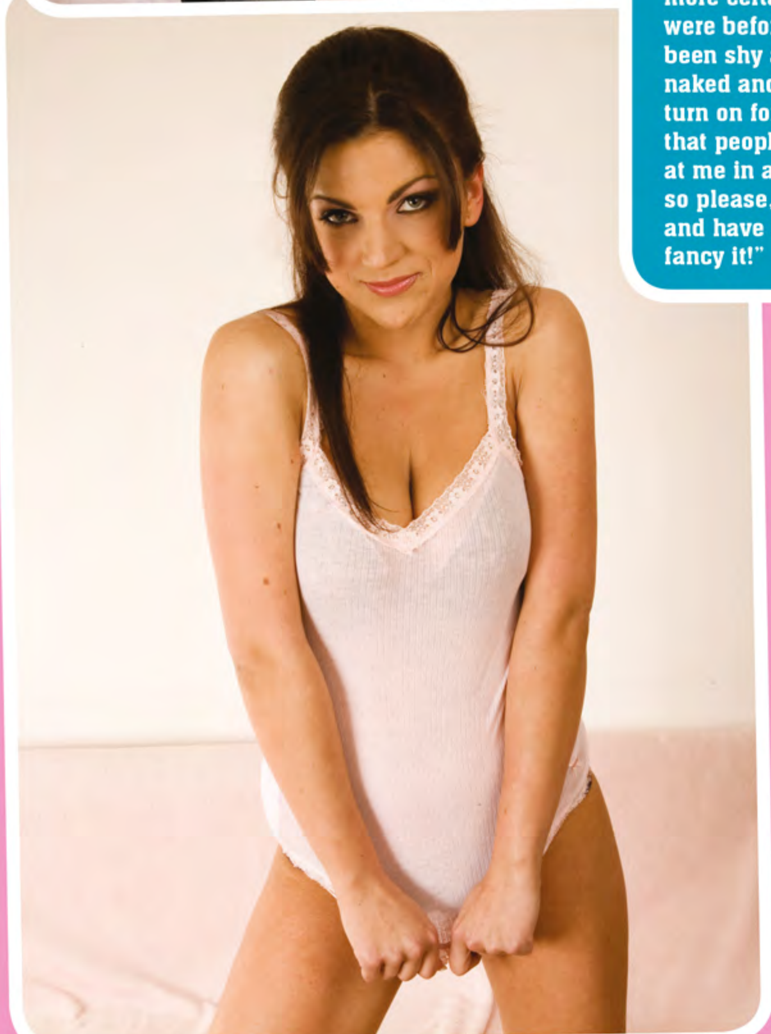
When Kelly sent us in some sample photos shot by her boyfriend we knew instantly that she had what it takes to be a hit with you guys, and after inviting her for a photo shoot at our studio we're even more certain than we were before! "I've never been shy about getting naked and it's such a turn on for me knowing that people are staring at me in all of my glory, so please, stare away and have a wank if you fancy it!"



KELLY

SASHA

Sasha is the definition of a MILF. She's not just a mature lady that we'd like to fuck, she's a hot piece of arse that we'd like to fuck over and over again! "Ahhh that's very sweet of you to say, it just happens that my knickers are off and I'm all wet and juicy, so if one of your office boys fancies taking a ride I'm more than up for it!"

HERSHAM, SURREY, KT12 3PU OR RAZZLE@PAULRAYMOND.COM

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

SO, DO YOU ENJOY LICKING OUT CUNT?

That Yes, and I have to agree with my boyfriend that smooth is best! Actually my first lesbian experience was with the girl who introduced me to pussy shaving. She was a friend of mine at college called Zoe. I was in her room one night talking about girly things – beauty products and how to pluck your eyebrows best and that kind of thing. She was telling me about the razor she used to shave her legs and told me it was perfect on other parts of the body as well, like her armpits and her pussy.

I felt a bit embarrassed talking about her cunt like that, but when she offered (with a totally straight face) to show me how to do it I agreed. I was curious about cunt shaving and also about Zoe. I knew she was bisexual and I did find her sexy and intriguing and a touch frightening with her bold sexuality.

So ten minutes later we were both sitting on the edge of the bath with nothing on. I knew by that time that this was going to turn into something more than a mere grooming session, and I was struggling to stop myself from trembling out of a mixture of fear and excitement. My pussy had already started leaking by the time Zoe started rubbing shaving cream on it.

She shaved her cunt and then took the razor and shaved me completely bald.

It was quite an incredible and epochal moment for me.

When she was done she rubbed it and said what a good job she'd done and what a pretty pussy I had. As her rubbing became more purposeful I just let her do what she wanted.

Realising I was being seduced by a lesbian was quite a horny thought on its own, never mind the delightful sensations being caused by Zoe's skilful finger work. I sat on the edge of the bath and she just fingered me till I came. It was one of the horniest experiences I had ever had.

Then she asked me if I would lick her cunt for her. I was eager to please her so when she bent over the sink and thrust her arse in the air I quickly knelt down behind her. I gazed at her smooth cunt and tentatively licked along the length of her slit. I was surprised and encouraged to hear her moan with pleasure straight away.

> I GAZED AT HER SMOOTH CUNT AND TENTATIVELY LICKED ALONG THE LENGTH OF HER SLIT.

Desperate to return the favour she had done me, I enthusiastically licked and sucked her cunt hole and clit. She pushed her hips back so her pink pussy was right in my face. I just licked for all I was worth, and when she told me she was going to cum I redoubled my efforts. With a loud cry she thrust her cunt back into my face once more and her legs quivered as she came.

I will always remember kneeling between her legs licking the cum from her pussy.

It was a brilliant introduction to lesbian pleasures and I haven't looked back since!
Gwenda, London

WHAT'S THE KINKIEST THING YOU HAVE DONE?

Probably having my letter printed in Escort and telling everyone all these rude secrets! My boyfriend likes taking pictures of me

ESSIONS

SUDDENLY MY BOY-FRIEND'S COCK TWITCHED AND HE FIRED WADS OF THICK SPUNK DOWN MY THROAT.

outside and in public places. I must admit it is a real turn-on being naked where I shouldn't be, and the risk of getting caught gives us both an extra thrill.

These pictures were taken at a local beauty spot. There are often plenty of people there having picnics, sunbathing and walking so it is a favourite flashing spot of my boyfriend and I. I made sure I wore a short skirt and no bra so I could get my tits and bits out quickly.

We strolled around for a while first, checking out how many people were around and where the best place to take some photos would be. There were a few ramblers and a kite flyer, plus a group of people relaxing on a blanket with some beers.

My boyfriend decided we should head for a wooded area popular with ramblers.

My cunt was creaming up by the time he pulled his camera out. I leaned up against the tree and flashed my knickers at him. Then I pulled my top down and flopped my tits out.

As my bloke continued taking pictures I got increasingly carried away, touching myself and taking off more clothing. Before I knew it all my clothes were on the grass and I was frigging myself off. Knowing that at any moment someone could catch me at it made me all the more horny.

My boyfriend then put his camera back in his pocket and came over to me, scrambling to unbutton his trousers. I helped him get his cock out and started wanking it to full hardness. He shoved it in my mouth and started sliding it in and out. I cupped his balls and wanked his shaft while he dipped his solid cock down my throat.

I was furiously frigging my clit with one hand while the other teased his cock. I was secretly fantasising about someone catching us being filthy. If I looked past my bloke I could see the people on the blanket and a bloke walking his dog about 20 yards away.

Suddenly my boyfriend's cock twitched and he fired wads of thick spunk down my throat. I spat some out and rubbed it over my tits for my boyfriend to lick off. I was close to cumming so I kept frigging myself while my bloke slid two fingers inside my juicy hole and finger-fucked me.

My whole body shook as I had an intense orgasm. I always have the best orgasms when I am being rude and naughty outside – it really gets me gushing! My boyfriend pulled his sticky fingers out and fed them to me – yummy!

I put my clothes on and we went home to fuck and talk about what we'd done. I can't wait for the moment when we are caught in the act – I think I will cum on the spot!
Josie, Ipswich

WHAT'S THE STRANGEST PLACE YOU'VE HAD SEX?

I used to live with my best mate Emily in a top floor flat with a roof balcony. In the summer we used to sit up there drinking before we went out, or just sunbathing and having barbecues.

I remember one occasion when we had a bit of a party after a night out. There were quite a few of us there – me, Emily, a couple of other girls and a couple of blokes we had brought home. My bloke was a dark-haired guy called Mike with a big cock. I knew this because I'd already sucked him off and swallowed his cum in the toilets of the pub where I pulled him.

It got quite cold on the roof so everyone went down into the flat. But I kept Mike up there. Pushing him up against the railings, I put my tongue down his throat and rubbed his cock up. The cold wind made my nipples hard and they jutted through my tight top invitingly.

Mike rolled my top up over my boobs and sucked on both of my nipples one after the other. He pulled my top over my head and I unbuttoned his shirt. Going down on my knees, I teasingly unbuckled his belt and undid his trousers.

I LEANED OVER THE RAILING AND STUCK OUT MY ARSE INVITINGLY.

I sucked vigorously on his shaft and massaged his balls. His cock was growing in size and strength all the time as I feasted upon it. As he got more turned on, Mike started to hold the back of my head and shove his cock in and out of my throat. I took him as deep as I could while he fucked my mouth.

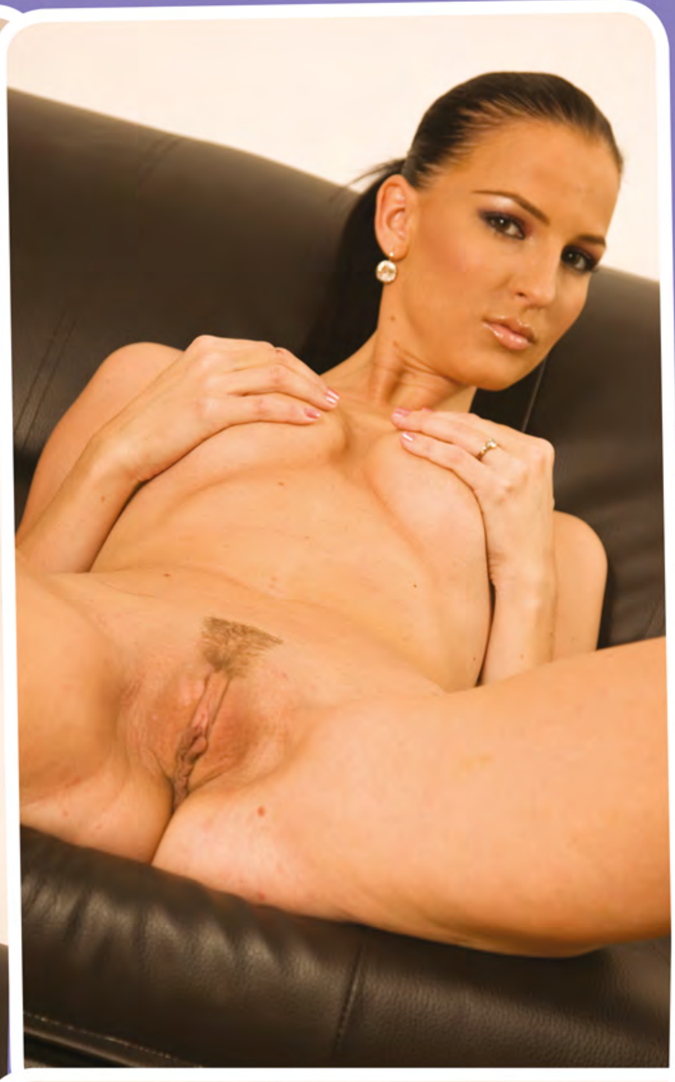
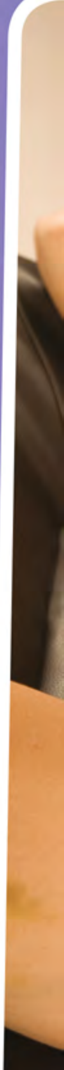
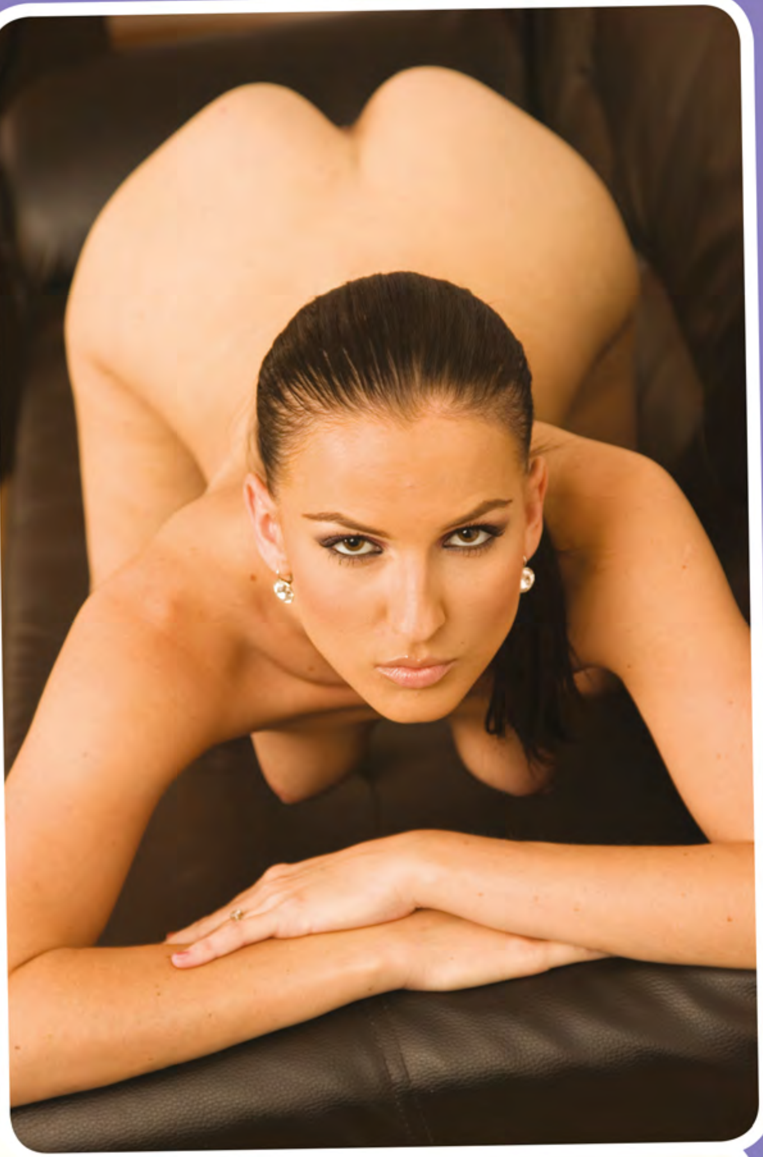
Kristen has been on at us to appear in one of our magazines for a while now so that she can reveal her dirtier side. "It's nice wearing expensive underwear and posing in luxurious locations, but I'll pose anywhere you want me to! So here I am on a grotty leather sofa with nothing but my trusty vibrator for company! I hope that you're readers enjoy the show."

KRISTEN







BAYLEY

The girls in our magazines don't come much cuter than 18-year-old Bayley! "I'm still very inexperienced when it comes to boys, I only lost my virginity on my eighteenth birthday and that was to my ex-boyfriend, who is still the only guy I've ever fucked. Now that I'm free and single I'm looking forward to adding a lot more notches on my bedpost. Hopefully appearing in your magazines will help my chances. I quite fancy the idea of having a much older man's dick in between my tight pussy lips!"

Kitten loves getting dressed up for us. She's done the whole bondage thing and dressed up as an airline stewardess in the past, and this time around she's playing it safe and doing some sort of Japanese theme. But at the end of the day we just want to see Kitten butt naked with her legs in the air, and as per usual, she didn't disappoint us!

LANA

"My boyfriend has no idea I'm doing this! I'm just totally bored of my life. He's always out at the pub with his mates and he's so pissed when he comes home that he passes out and doesn't want to fuck me! All I want is a big fat cock in my hairy pussy or up my tight bum hole! Is that really too much to ask?"

pleasure, I shoved my arse in his face and he ate me out with plenty of enthusiasm, just the way I like it. I was horny as fuck and crying out for cock. Sensing this, Mike lined his boner up and slid it inside my cunt form behind. I bit my lip and braced myself as he started to ram his cock right up me, right back out and right back in again.

I had a lovely view as Mike ran me through. I was looking down on the streets and lights of my town while I had a big fat cock plunging in and out of my cunt in the dark – quite strange really.

Mike's heavy balls slapped against my thighs and his hands gripped my hips as he pumped away, making my bum wobble and my tits bounce around. As I was about to cum I frigged my clit, sending me to a rapturous orgasm.

Mike was close on my heels, allowing me to finish my orgasm before he spun me round and started wanking in my face. I opened my mouth to catch the first warm jet of creamy cum. The rest streaked my tits and face so I rubbed some in and licked my fingers clean.

That was definitely the weirdest place I've had sex, and one of the best.

HAVE YOU EVER HAD A LESBIAN EXPERIENCE

The first lesbian experience I ever had was a threesome with Emily and some stud we picked up at a nightclub. His name escapes me, to be honest, but he was a damn good fuck.

Emily and I were out clubbing and we were both trying to pull him. Realising he was onto a sure thing with two randy drunk tarts, he told us he would go home with both of us. Before I could say anything, Emily was bundling us both towards the exit.

In the cab home, the bloke sat us next to each other and told us to kiss. I was a bit hesitant (but secretly raring to give it a go) but Emily put her arms around me and kissed me, delving inside my mouth with her tongue. My first lesbian kiss was a revelation, and soon I was kissing her back wholeheartedly.

By the time we were home I was lusting for Emily. This wasn't her first time with a girl, I realised, as she took off my top and bra in one deft movement.

The bloke just was sitting on the sofa watching Emily undress me. She ran her tongue over an erect nipple, making me shiver like a shitting dog all over. She encouraged me to take her clothes off too.

At this point the bloke suggested we go upstairs. In the bedroom he stripped off and lay on the bed slowly tugging his big cock. He told us to get naked, which we did. Then he told me to bend over and suck his dick. He had a long thick cock, which I couldn't wait to get my mouth round.

As I was bent over gobbling his pole, I heard him giving Emily instructions. For an instant I felt Emily's hot breath against my bald cunt, then I felt her tongue gently lapping at my cunt lips. She took my puffy lips in her mouth and sucked them. Then she held me open with her fingers while her tongue ploughed the length of my creamy slit.

Sandwiched between an eager beaverlicking bitch and a well-hung stud, I had the horn like never before. When Emily started rubbing my clit with her fingertip as she licked me out it was enough to drive me to a juicy climax. Then it was time for some cock.

Emily lay on the bed with her legs spread and I was on all fours with my face in her cunt. Meanwhile, our stud was easing his powerful cock inside me inch by inch.

Although I was a beginner, I was eager to please Emily and I was desperate for my first taste of pussy. So with a big cock pounding into me from behind I took my first ever mouthful of wet pussy.

Emily guided my tongue with her finger, telling me when I had found a sensitive spot. I was thrilled when I made her cum after only a short time. As she relaxed I tasted her sweet juices and since that moment I have been a pussy fanatic.

After he'd fucked me to an orgasm, the bloke then got Emily and I into a 69 position. He let us get each other excited before he positioned himself behind Emily, who was on top of me. I watched as he prepared Emily's arsehole with a juicesmeared finger. Then, as I licked Emily out, I watched her arse gradually being filled with hard cock.

As the guy reamed Emily's arse, I licked his balls whenever they swung into range.

When he finally pulled out he spunked all over Emily's cunt and told me to lick the spunk off.

I don't know what the bloke had taken, but he managed to keep it up all night. He fucked Emily and me all over the place, and there was plenty more lezzie action as well – what a night!

WHAT DID YOU GET UP TO LAST SUMMER?

Being a student, I had the whole summer time off. Did I spend the time studying for next year or working off some of my debts? Did I fuck, I went on holiday with my mates and had a wild time. You're only young once!

Four of us went to Magaluf for two weeks. My liver is still recovering form all the drinking and my pussy is still recovering from all the fucking. I got my first portion on our very first night out. We arrived in the afternoon and just chucked our bags in our rooms, showered, got tarted up and went out.

All the bars were packed and there were definitely more blokes than women, which suited us fine. There was no shortage of men chatting us up and buying us drinks.

I was horny and gagging for it, so I waited for a half-decent looking bloke to crack on to me and jumped on him.

He was quite short and he had a ridiculous Hawaiian shirt on, but he had a cheeky grin and a good chat up line.

As he stood leaning back against the bar I pressed my body into him. I only had a skimpy dress on and my boobs were bulging out. I could feel his cock getting harder as I pressed my thigh against his crotch.

I started kissing him, pulling him close so he could feel the warmth of my cunt through my dress. His cock was soon rock hard against my leg. I slid a hand down inside his jeans and rubbed his dick and balls. He had his hand up my dress and was grabbing my arse, probably letting everyone see my backside in the process.

My cunt was creaming up and I was desperate to feel that hard cock of his inside me. I told him exactly that. He led me out of the bar and we found a secluded-ish place down the side of a shop. He slipped his hand inside my dress and rubbed my hot cunt through my G-string. His fingers were beginning to excite me and I knew it wouldn't take much to get me cumming.

I opened my legs and he slid two fingers inside my knickers. He ran them up and down the length of my slippery, freshly shaved pussy. Parting my lips, he gently worked his fingers inside my welcoming hole. I so wet he was able to slide them both in up to the knuckles. He pulled them bout and jammed them back in, giving me a good finger fucking.

I told him he was making me cum and he frigged me even faster. When he started rubbing my hard clit with his thumb I just came all over his hand. I took his hand and licked his fingers clean of my juice, smacking my lips and winking at him.

I then kneeled in front of him and pulled his jeans and boxers down around his ankles. His rigid cock stood out proudly. I pulled his foreskin back and started licking his helmet and rubbing his nuts. I slurped my tongue up and down his shaft before taking his full length down my throat. When I had his cock wet and willing I stood up and took my G-string off.

I got on my hands and knees in front of him, throwing my dress up over my back and inviting him to fuck me from behind. He wasted no time lining his cock up and driving it inside my dripping cunt. He took a firm hold of my hips and slammed his cock inside me hard, fast and deep. I was biting my lip trying not to make too much noise, but loud moans and gasps were still escaping.

We were only really hidden from the street by a rickety wooden gate and a bit of foliage, so I could see people walking past where we were. This was a surprising turn-on, actually, knowing people were close by and probably knew and could see what we were doing.

I reached down between my legs to fiddle with my clit while I took it from behind, and soon I came a second time. The guy wasn't far behind me, pulling his cock out and spraying spunk all over the floor.

He told me afterwards he hadn't wanted to ruin my dress, and I told him it was a waste of good spunk and I would gladly have swallowed it.

We made ourselves decent after that and went back into the bar. He went off to join his mates and I met up with the girls, who all called me a dirty slapper as usual.

Which is true!

Frisky fair-haired fuckstrel Kaitlyn uses her kitchen to whip up treats for her pussy, not her tummy. “There are more surfaces and things to grab on to than in my bedroom or bathroom. I always have mad, frantic sex in all sorts of positions in here. And then there’s always the fridge for kinky cold cucumbers up my pussy!”
